McLeod Gardens

DAYLILIES FROM THE DEEP SOUTH

Mrs. Ashley McLeod, Owner

1518 McLeod Road
Telephone CH 2-0397

Valdosta,
Georgia

We submit our 1960 list of Hemerocallis with deep appreciation and sincere thanks to our many customers we have served in the past. It has been a genuine pleasure to receive the many kind and generous expressions of satisfaction sent us as to quality and condition of our plants.

Our gardens are open at all times. We are happy to have visitors at any time, especially during blooming season — April to November.

1960 INTRODUCTIONS

The 1960 feature in our gardens is **GOLDEN MASTERPIECE** (McLeod).

We are happy to offer two introductions — **COPPER CURLS** (George) and **SIS JONES** (Jones), from local hybridizers.

GOLDEN MASTERPIECE (McLeod)—Large dandelion yellow with tint of goldenglow on ruffled petals, sepals recurving with slight twist. Many blooms borne on strong scapes over long period of time. Truly outstanding — 36" Ev. \$10.00

Copper Curls (George) Six inch flower of soft gold petals and sepals curl into ringlets. Many flowers borne on strong scapes. When planted in full sun blooms are diamond dusted on a velvety satin finish. 30" to 34", Ev. J. C. 1960\$15.00

Sis Jones (Jones) Large flowers of deep melon with band of lavender rose tones. Soft green throat. Petals twist slightly, making a beautiful form. 34" to 36", Ev. Re.\$15.00
